Faith works. This is the message of James. It's faith that keeps us humble. It's faith that directs our tongues to bless, not curse. It's faith that causes us to show mercy, not judgment. It's faith that leads us to Christ, not religion. It's faith that causes us to stand up for what's right and against what's evil. It's faith that causes us to worship God no matter what. Faith works.
